NORTH SAANICH HIGH SCHOOL NOTES

By A STUDENT

The staff of the "Inkspot" has organized a Red Cross Society in the Senior High School. A weekly membership fee is necessary before a pupil may become a member of the society. At present Miss Brogan has a Junior Red Cross group functioning in the lower grades. The membership fee in both the junior and senior societies is very small, but judging by the growing membership, the school will have a very substantial contribution to make to the Red Cross Society, at the end of the school term.

Report cards for the month of November were issued on Friday, Nov. 10th, to pupils of both the Senior and Junior High School.

CHURCHES OF CHRIST SCIENTIST

Sunday, November 19th
"SOUL AND BODY" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday.

The Golden Text is: "What? know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own?" (1 Cor. 6: 19)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The Lord bless thee, and keep thee; The Lord make his face shine upon thee, and be gracious unto thee; The Lord lift up his countenance upon thee, and give thee peace" (Numbers 6: 24, 25, 26).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Soul, or Spirit, is God, unchangeable and eternal; and man coexists with and reflects Soul, God, for man is God's image."

THRILLING SHOW COMING TO GANGES

(Continued from Page One)
ular of Western actors, has the top role as a blustering, boastful but inherently likeable old frontiersman who makes himself the boss of western Arizona.

Tim Holt and Jean Rouverol share the romantic honors. Holt is the son of Jack Holt, who is almost as much of an old-timer as Carey, himself, and the youngster portrays a would-be bad man whom Carey takes under his wing. Miss Rouverol, a stage actress who worked herself up from extra ranks to noteworthy bit roles in recent films, has her initial featured part as Carey's daughter, and is said by studio executives to be one of the season's most promising discoveries. Clarence Kolb, Evelyn Brent, Allan Lane and other favorites are in the supporting cast.

Plenty of action and excitement are woven into the unusual plot of the film, which captures the colorful atmosphere of its period in picturesque fashion. The film was directed for RKO Radio by Glenn Tryon, from an original screenplay by John Twist and Clarence Upson Young.

Showing at the Rex Theatre, Ganges, Friday and Saturday this week.

The regular meeting was held on Saturday evening. The patrol leaders carried out instruction with their own patrols. Instruction in map making was given. Several new, quick Scout games were played.

A number of the troop received their service stars. Keith Hollands and David Holmwood received their second class badge, also their cyclist badge.

A number of tests were passed by the boys.

The Troop and Pack attended Remembrance Day service at the North Saanich War Memorial Park November 11th.

There will be an enrollment of Tenderfoot Scouts on Saturday next.

Scouts are reminded of the Service JOB to do next Saturday morning. All those going are to report to Patrol Leader Edward Peck.

Some of the Senior Scouts are going up to Mr. Turnbull's for instruction. Many thanks, Mr. Turnbull.

N.S. SERVICE CLUB ACTIVITIES

Play will start at 8 o'clock sharp on Thursday night, Nov. 16th, for the first night of the bridge tournament run each year by the North Saanich Service Club. The Red Cross will receive all proceeds above expenses from the tournament, it being decided by the club to give all profits to one or other of the various patriotic organizations for the duration of the war. In view of this most worthy cause a record attendance is anticipated.

This will be the first night of play of a series to be run twice monthly throughout the coming winter and spring — the silver cup now in possession of last year's winners, Mr. and Mrs. A. Deildal, will be played for.

A prize for high score is offered at the end of each evening's play. F. J. Baker has kindly donated the prize for high score.

The system of scoring used this year will be the same as used formerly.

SATURDAY NIGHT

Turn to the Coming Events column for further particulars.

The Toe Ticklers will be on hand and ready to play for dancing again on Saturday night and again excellent prizes are being offered for 500 card players. Be on hand at 8 o'clock for the cards and dancing will follow at 10 o'clock. Make up a party and attend — see your friends there.
